## Midget series left hanging after protest

Haliburton's OMHA Midget hockey team has had its playoff series with Powassan suspended by the Ontario Minor Hockey Association in the wake of a protest over the team's use of four players from Minden. While official notification of the protest and the OMHA's decision have not been received by local hockey officials, Powassan failed to show up for a scheduled game in Haliburton on Saturday night, apparently on instructions from the provincial hockey association.

Coach Gary McKnight said the first indication of a problem came last Saturday morning, when Haliburton OMHA representative Len Salvatori got a telephone call saying someone had protested Haliburton's use of Minden players. Indications were that the local team would have to move up to category 'C' from its present 'DD' designation. And in the meantime, Powassan was told not to make the trip to Haliburton, despite the fact that Haliburton had twice travelled to Powassan in the best three out of five series.

McKnight said the team has used four Minden players all year, and that the OMHA has been aware of the situation since the beginning of the season.

"We weren't trying to hide anything" he commented in an interview Monday.

McKnight said he would not have been upset if at the beginning of the season the league had ruled that Haliburton would have to compete in a higher category. But he said he is unhappy with the ruling so late in the scheduling, particularly since the local minor hockey association has spent money to send the team to Humphrey and Powassan in post season play.

Bob MacNaull, president of Haliburton Minor Hockey, said Tuesday that the OMHA acted on the protest without asking for any input or explanation from Haliburton.

"At this point it doesn't appear that (league officials) followed the correct procedure" in dealing with

Grant Clement, left, and Buc[illegible] a strong team in the cross cut saw competition during the Haliburton Winter Carnival on Saturday. Helping to steady the log are event chairman John Bruce and Ken McKnight. A total of eleven competitors took part in the competition.

## Carnival a hit despite rain

It wasn't exactly ideal weather for a winter carnival over the weekend, with melting snow, rain and thick fog, but that didn't stop members of the Haliburton Rotary Club from going ahead with most of the events they had been planning for months. And despite conditions, the carnival turned out to be a success, providing plenty of fun and friendly competition at a number of venues.

First on the agenda was snow sculpture judging. The wet snow was ideal for the task, although sculptures didn't hold their carefully moulded contours for long. Winner in the individual category was Bob Pickard of Riverside Drive in Haliburton. Winner in the group category was the Grade 4A class of Dennis Baker at HHSES.

The Queen of the Carnival was crowned at a teen dance on Friday night, and the honour went to Chantal LaRue. Runners up and princesses for the duration of the weekend were Lianne Whitfield and Maria Rosenberg.

Saturday's pancake breakfast was well attended, despite that fact that deteriorating weather had kept many visitors from making the drive to the Highlands. Other events throughout the day on Saturday were the annual carnical bonspeil, and a one day men's hockey tournament. In the consolation round Peterborough Oldtimers defeated Minden 4-3, and in the championship match, Beaverton outscored Haliburton 8-4.

Cross country and downhill ski events which would have been one of the main activities of the weekend had to be cancelled, and snowmobile races were put on hold as well, with organizers hoping for more wintry conditions this coming weekend.

One event that was not hampered by the weather was the logging

## Cubs honour Len Salvatori

### Thirty years of leading group draws praise, admiration

Thirty years is a long time to spend at any job, but when the job is the voluntary one of running a Cub pack, the achievement is especially noteworthy. On Monday night at the annual father and son banquet, local Beavers, Cubs, parents and supporters of the scouting movement had occasion to say 'thank you' to Len Salvatori, who stepped down from leading Pack 'A' this fall after three decades of service.

Bruce McKay, president of Legion branch 129, which sponsors the local scouting movement, said it was "an honour" to present Salvatori with a plaque in recognition of his dedication to the young people of the community.

In accepting the award, Salvatori paid tribute to the local Legion, which he said "has always been a great supporter of the boys." He described Haliburton as "a great community", and said that over the years the local scouting movement has been dedicated to "grooming boys to become good citizens."

Salvatori also paid tribute to others who had helped him throughout his tenure as leader of Pack 'A', Haliburton's first, which was formed in 1954. In particular, he thanked Walter Webb, whom he described as "my sidekick since the beginning" and "a great gentleman, a great supporter of young people."

Thanks were also due to the group committee, Salvatori said, and in particular to Dennis Baker, "for working to keep the group committee alive."

The presentation to Len Salvatori was the highlight of the banquet, which opened with words from Bruce McKay, who noted that the local Legion is "very proud to support the Cubs and Scouts of Haliburton District."

Colin Sisson proposed a toast to the fathers, and Lynn Craigmyle responded on behalf of parents.

"socity is much better" for having Cubs, Beavers, Scouts and many other local organizations which focus on youth. In conclusion, he presented group committee chairman Dennis Baker with a Canadian flag on behalf of the government.

Awards were then presented to a number of boys. The Beavers were given a pennant carrying the Beaver motto 'Sharing'.

Derek Wilson was named Cub of the year for Pack 'A'. Mike Ellis, a first year Cub, was named Cub of the year for Pack 'B'.

Attendance awards for Pack 'A' went to Brett Jackson and Mark Brohm. Pack 'B' attendance awards were presented to George and Greg Sharp, and to Jamie Teatro.

Awards for the best decorated baskets on Apple Day went to Mike Morrison, Steve Smith, Colin Sisson, Peter Buckley and Casper Brohm.

Don Kennedy then presented long service awards to Len Salvatori, Terry Barnum, Howard Roberts (who was unable to attend) and Dennis Baker.

A 10 year award went to Barnum, and a 15 year award to Baker.

Please turn to Page 11

## Service awards presented

Rev. John Smith of Haliburton said the Grace before a roast beef dinner was served by members of the Legion Ladies' Auxiliary.

Head table guests included Deeno Pearsell of the group committee, John Smith, MP Bill Scott, Bruce McKay, Dennis Baker, who acted as master of ceremonies, Len Salvatori, Don Kennedy, provincial field executive for the Boy Scouts, Walter Webb, and Terry Barnum.

Following the meal Bill Scott spoke briefly, praising the role of parents in the community and urging young people not to take for granted the time parents devote to scouting and other community oriented activities. He noted that

Len Salvatori addresses the Father and Son Banquet

# Police news

**Editor's Note: The following is a press release from the Minden detachment of the Ontario Provincial Police.**

**General Occurrences**

During the period February 13 to 19 personnel at Minden Detachment investigated the following occurrences: 30 general occurrences, including three break and enters and three thefts, and three motor vehicle accidents, with one minor injury.

**Truck Stolen**

Sometime overnight on Friday, a 1978 Chev. pickup was stolen from Emmerson Lumber Company in Haliburton. The truck was driven out of their yard through the locked gates. It was recovered later the same day stuck in a snowbank off St. Peter's Road in Stanhope Township. The incident is under investigation.

**Hydro Theft**

Sometime overnight on Febrruary 13/14 a person or persons climbed the fence at the Ontario Hydro yard on Hwy. 35 at Minden. Using wire cutters they apparently cut their way out and then passed a quantity of property through the hole in the fence. An estimated $1,746 was stolen, including chain saws, power tools, and copper wire. At present there are no suspects, although investigating officer, Mike Maher is interested in learning more about a tractor-float trailer which was seen parked nearby the night of the theft.

The culmination of Dixie Lee's barbecue sauce recipe contest came Monday as judges Don Popple, Debbie Dart and Art Dawson sampled close to 20 entries. The winner was Tammy Mace of Minden with her 'Super Quick Barbeque Sauce'. She received $500 from Dixie Lee franchise operator Ken Fielding, in exchange for rights to the recipe.

# Sir Sandford seeking names for fellowship

Sir Sandford Fleming College is seeking nominations for its Fellowships in Applied Education.

The Fellowships are awarded annually to recognize citizens for significant achievement and community contribution. The awards are presented to anyone who through the outstanding application of knowledge in the area of his/her vocation or avocation, contributes towards the betterment of society.

Nominees must reside or work in Peterborough, Victoria, or Haliburton Counties or the portion of Northumberland County served by the College.

In Victoria and Haliburton Counties, nomination forms may be obtained at local Chamber of Commerce offices or at the Frost Campus in Lindsay.

Nomination forms for Peterborough and Northumberland Counties are available at the Sutherland Campus in Peterborough.

Nominations should be forwarded to the College before February 24, 1984.

The Fellowships will be presented at the Frost and Sutherland Campus srping convocation ceremonies.

# CAS wants help

Volunteers have become an integral part of the service offered by the Children's Aid Society. Their numbers and the range of their activities increaseds each year and they are regarded as indispensible to the program.

What are volunteers doing at the Children's Aid Society?

- Volunteers provide transportation to clients in and around the area (reimbursement for miles travelled is provided).
- Volunteers provide parent aide services to families by assisting with such problems as home management, child management and budgeting.
- Volunteers work with children on an individual basis providing support, going on outings, getting involved in community activities, etc.

These are only a few of the many activities that volunteers can become involved in. Your own talents and interests may suggest ways you can become involved. If you would like to have information sent to you or would like to discuss how you can help, please contact Denise Walker, Volunteer Program Co-ordinator at the Children's Aid Society, Highland Street, Box 120, Haliburton or call 457-1661. Your help will make a difference.

# Anson, Hindon, Minden council minutes

Anson, Hindon and Minden council held its third meeting of the year on Thursday, February 9, and considered the following

A delegation of residents from Ingoldsby attended and presented a petition objecting to the by-law being proposed to stop up, close and convey a portion of the shoreline allowance fronting part of Lots 21 and 22, Concession 2 in the Township of Minden on the basis that the property is known locally as Pine Point swimming beach and has been used for generations by local people as a swimming area. A spokesperson for the Ingoldsby respectfully suggested that the township purchase the property so the residents would not forfeit their swimming area.

The owners of the adjoining property i.e. J.P. Hill et al advised that the persons who had endorsed the petition should prove that their lands will be prejudicially affected. He referred to Sections 2 and 9 of the Trespass Act and advised that the family had been in private ownership of the abutting land for years and respectfully requested that the marine allowance also be deeded to them.

The Clerk read letters of objection from Mrs. R. Thorn, Mr. E. Thorn and Mr. W.D. Thorn as well as excerpts from previous council minutes i.e. July 16, September 14 and October 12, 1966.

By-law 84-6 was read a first time.

The second and third readings of By-law 84-6 were deferred until an on-site inspection can be completed by the various parties involved.

The parks committee together with a committee of residents from Ingoldsby will inspect and agree on a suitable swimming area to service the residents.

The Clerk was directed to contact the Ingoldsby spokesperson regarding an appropriate meeting date.

Deac Jackson, Fire Chief, was present to explain that the use of chimney fire extinguishers was most effective. It is a reasonably new product and before the fire department get involved in marketing the product, Jackson was authorized to investigate whether or not any private retail outlets were planning to sell the extinguishers.

Three tenders were received as follows: Minden Electric, $2,090; Pritchard Electric, $3,350; Modern Electric, $2,795. The tender of Minden Electric was accepted to complete the electrical work for the new office expansion project, in the amount of $2,090.

Council agreed to call tenders to supply eight high pressure sodium streetlights to be installed in Highland Gate Estates by Ontario Hydro.

Council for Anson, Hindon and Minden supported the application for funds (from the County) by the Agnes Jamieson Gallery.

A resolution that the 1984 registration fee of $538.80 be forwarded to the Associations of Municipalities of Ontario, was not carried. A further investigation will be undertaken from townships within the County regarding the benefits derived by joining the A.M.O.

The following accounts were approved for payment: General, $80,537.75; Water, $87.87; Sewer, $8,509.71.

P.W.D. accounts for the month of January were approved for payment in the amount of $42,988.11.

The Boundary Information Account was approved for payment in the amount of $16.50.

Dave Stevens and Ed Pergolas were appointed to the Environment 2000 committee regarding the application to dredge and clean the Gull River.

Council will support the Haliburton County Snowmobile Club financially subject to looking at their budget for 1984.

Council will purchase decals from Young Advertising North for $609.

A letter as requested by the Roads Committee will be directed to the Hon. James Snow, Minister of the M.T.C. expressing concern regarding the subsidy allocation for 1984.

Quotations were received from Swish Maintenance Limited, National Sanitation and Supply Co. Ltd., Minden Home Hardware, Highlands Supply, and T.A. Enterprises.

A report was given regarding the cost to upgrade the present telephone system to a new electronic small business system.

A further investigation regarding other systems was requested as soon as possible from the committee.

Council accepts the budget recommendation of the Celebration Committee's February 1, 1984 report.

Ed Pergolas voted 'nay'.

Council will petition the M.T.C. for subsidy on $509,506.28 for 1983 expenditures on roads and bridges pursuant to the Public Transportation and Highway Improvement Act.

Council agreed to place a tender ad requesting people interested in sweeping sidewalks and taking away debris and litter fro the Main St. area to apply to the office of the clerk.

Councillor Kenney reported that the Chamber of Commerce had not contacted him regarding various recommendations and proposals discussed in 1983 therefore he was requesting that Council be made aware of this matter.

The Townships of Anson, Hindon and Minden introduced a policy that all purchases over $500 be bought be tender where applicable under the guidance of the finance commmittee.

Deac Jackson, Fire Chief, reported several false alarms at Hyland Crest and requested council to consider charging the home for the costs involved as a properly manned fire truck was required to respond each time.

# Carbon monoxide poses a danger

Carbon monoxide in homes may be an unsuspected danger at this time of year, warns Ontario Consumer Minister, Dr. Robert Elgie.

The warning follows two recent accidents in which two people died and four were hospitalized after being overcome by carbon monoxide gas in their homes.

Carbon monoxide - a clear, odorless and toxic gas - may be produced if there is not enough air for complete combustion in furnaces and other fuel-burning appliances. The most common symptoms of carbon monoxide poisoning are frequent headaches, drowsiness and nausea.

There are many factors that may contribute to the danger of carbon monoxide spilling into the living space, including:

- Blocked or plugged chimneys. Gas furnaces are susceptible to this problem as the cooler exhaust fumes may condense in the chimney, leading to erosion and blockage. If the chimney does not have a clay-tile liner in good condition, a metal chimney liner must be added.
- Poorly maintained furnaces and fuel-burning appliances, including water heaters and kerosene space heaters. If out of adjustment or in need of cleaning, these appliances can produce carbon monoxide.
- Sealing, siding, insulation (particularly in basements) and new windows may reduce the flow of outside air into the home.
- Appliances that consume or draw air out of the home may starve the furnace. Clothes dryers, kitchen, bathroom and attic vent fans, central vacuum cleaners and kitchen barbecues which draw air out of the house also compete with the furnace. Wood stoves and fireplaces can consume five to ten times as much air as a furnace. In extreme conditions, air may be drawn back down the furnace chimney -- along with dangerous exhaust fumes.

"In some cases there may be no indication of a problem until it is too late. I advise everyone to play it safe," warns Dr. Elgie. "Although it is difficult to make specific recommendations, as each home is different, there are some things a home-owner should do without delay."

If you suspect inadequate air supply, open a window near the furnace or fireplace as a temporary measure, then call a heating contractor for further advice.

WANT TO APPEAL YOUR ASSESSMENT?

You still have time to appeal your 1983 assessment if you feel your home or business property has been improperly assessed.

Your assessment is important because the amount of property tax you pay depends on it, in that the assessed value of your property is multiplied by your municipal and school mill rate to determine your 1984 property taxes.

Notices of Assessment have been mailed to property owners and tenants whose assessments have changed since last year. Open houses have been held in your area to answer questions and amend assessment information if necessary. Open house dates and locations were announced in a previous advertisement.

The Assessment Roll has now been delivered to your municipality for the purposes of caiculating the amount of taxes you must pay on your property in 1984. For information on your assessment, the Assessment Roll is now available for review at your Municipal Office during regular business hours. If you feel your property has been improperly assessed, and you have not yet made your appeal known, you still have until March 7 to deliver or mail an appeal to the Assessment Review Board. ***And remember, even if you did not receive a Notice of Assessment, you still have the right to appeal.***

Appeal deadline—March 7, 1984

The Assessment Review Board is an impartial body reporting to the Attorney General of Ontario, which provides you with an additional opportunity to have your assessment reviewed if, in your opinion, it is not fair and equitable with similar properties in your area. The Review Board is more informal and relaxed than a regular court of law. You may present your own case, retain a lawyer or ask a relative or friend to speak as your agent.

To help you in filing your appeal, Notice of Appeal forms are available from the Assessment Review Board, your Regional Assessment Office or your Municipal Office. As well, you can use the reverse side of a Notice of Assessment or write a letter stating the property address and roll number, together with your reasons for appealing. Appeals should be forwarded to the Regional Registrar of the Assessment Review Board listed below.

## Midgets face protest

from page 1

the protest, MacNaull said.

He said he is concerned that the league may not have had all of the necessary information when it upheld the protest. So far there has been no indication of where the protest originated, but McKnight speculated it may have come from Beaverton, whom Haliburton would have met if they had defeated Powassan.

MacNaull confirmed that the OMHA was aware of Haliburton's roster throughout the season. When Minden could not find enough players to ice a midget team, Haliburton agreed to sign Minden boys, although a team could have been iced without the services of the four players who did join the Haliburton club. Player cards submitted to the OMHA spelled out the fact that the four boys had played their hockey in Minden previously, MacNaull said. As well, Haliburton Minor Hockey contacted OMHA officials by telephone to explain the situation and confirm that the Minden players would be involved.

"They were certainly aware that Minden players were being used here" MacNaull said. "Nobody at any point througout the season made any complaint or protest."

So far the matter remains up in the air. Haliburton has asked for a

So far the matter remains up in the air. Haliburton has asked for notification in writing of the decision, and wants the facts that were used as the basis of the decision spelled out. The OMHA has also been asked to provide a schedule of future games in case Haliburton must move up to 'C' category competition.

But whatever happens, Haliburton Minor Hockey officials are unhappy with the way the matter has been handled.

"We just feel that in this case (the OMHA) has made a unilateral decision that does not sit well with us" MacNaull said.

## Teachers learn new skills

### Professional artists lead workshops at HHSES

Close to 80 elementary school teachers from Haliburton County spent a professional development day last Friday learning more about visual arts from three talented professionals.

The event, sponsored by the public school men and women teachers federations, was held at Haliburton Highlands Senior Elementary School, and included "hands on" experiences for participants as well as practical advice about art teaching and curriculum.

Mary Bruce, an art teacher with the Etobicoke Board of Education, led a morning workshop on drawing as a basic skill requiring both good instruction and practice.

Sharon Chatfield, chairman of the teachers' committee which organized the day, said many of those who went into Bruce's workshop with the idea that they couldn't draw gained confidence and a more positive view of their abilities.

In the afternoon, Bruce led a workshop on designing and evaluating a year's curriculum.

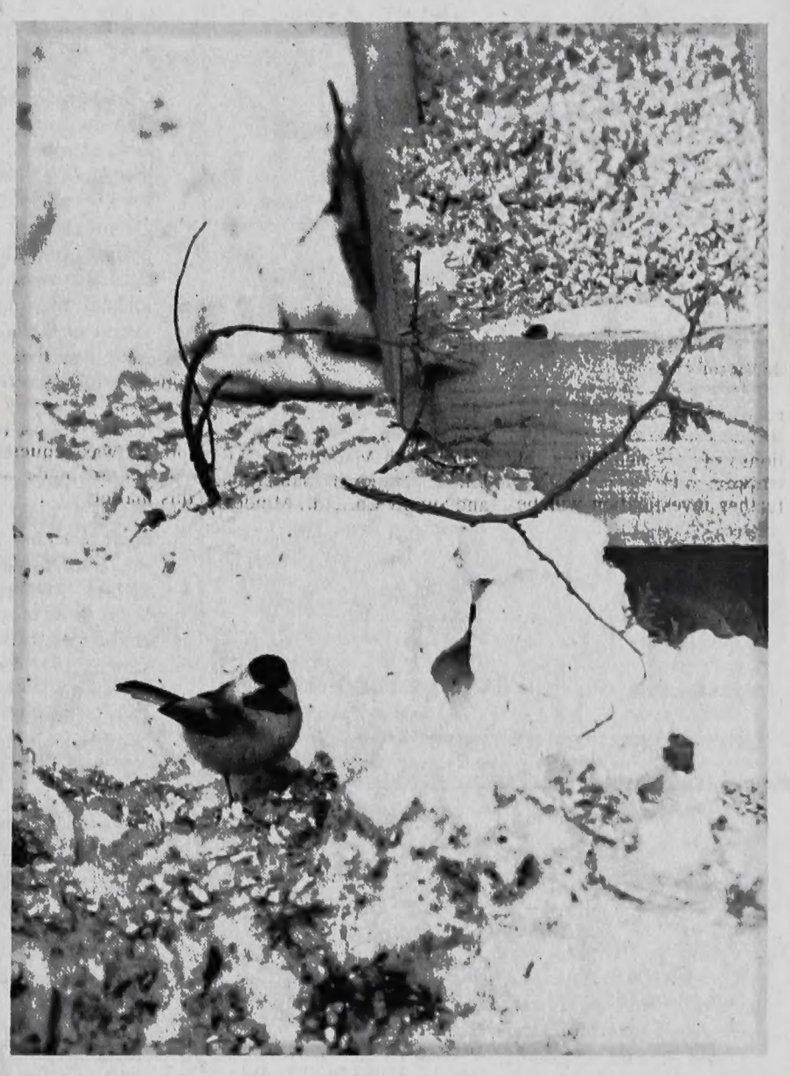
Toronto artist John Leonard, who is well known in the Haliburton area through his involvement in the Rails' End Gallery and the 'Artists in the Community' program, shared his skills in two workshops, the first on portrait drawing and the second on the design of landscapes.

Third participant in the day was Ruth Oppenheim, a professional puppeteer and part time teacher from Toronto. She has had success in using puppets to develop language skills in non English speaking students, and in developing creativity in students enrolled in regular programmes.

Teachers who chose this workshop learned facets of the art of puppetry, including construction of various simple puppets and ways of manipulating them.

The day before, Oppenheim had held student workshops at Archie Stouffer public school in Minden involving about 50 students.

Rounding out the day, secondary school principal Dale Robinson spoke to the teachers about changes in the high school curriculum and their implications in the elementary schools.



## Theatre group set to hold auditions

The Highlands Little Theatre group is about to reach a milestone in its relatively short existence. Later this week the group will hold auditions for its tenth production. Adn to make show number 10 a

Please turn to Page 16

Dennis Brule, a conservation officer with the Minden District of the MNR, fills a deer feeding station with grain during a recent trip through the deer yards of Harburn Township. A total of 43 Tonnes of feed has been earmarked to help local herds survive the winter. At left a Chickadee takes advantage of a free meal at a feeding station.

## Feeding program aids deer

Local deer herds have been suffering through a difficult winter, as deep snow made foraging difficult and available browse was steadily exhausted. To ease the situation, Ministry of Natural Resources personnel have been kept busy in recent weeks stocking feeding stations in some of the county's main deer yards.

An estimated 200 deer have been helped in Harburn Township under the program, which places wooden feeders in selected locations and uses ministry staff and volunteers to keeep them stocked with grain and specially formulated pellets. Up to 1500 deer are being fed in Hindon Township, another 300 at Nogies Creek using volunteers, and as many as 150 more at other locations where volunteers keep hoppers and feeding stations supplied.

A total of five MNR staff have been working on the program this winter, using snowmobiles to haul sacks of grain and feed to the various locations. Two contract feeders also are employed, and there are 16 volunteer feeders operating under Minden MNR direction.

**OCAP CAN HELP**

**ARE YOU BETWEEN THE AGES OF 16 AND 24?**
**HAVE YOU BEEN OUT OF SCHOOL FOR AT LEAST 3 MONTHS?**
**ARE YOU ACTIVELY LOOKING FOR YOUR FIRST FULL TIME, CAREER-RELATED JOB?**

If the answer is **YES** to each of these questions, the Ontario government has just the program for you.....

*The Ontario Career Action Program*

You may be finding it extremely difficult to get a job in your chosen line of work because you lack experience; at the same time, the only way to obtain this experience is by getting a job! The Government of Ontario has designed the Ontario Career Action Program (OCAP) to help you over this frustrating hurdle.

**EARN WHILE YOU LEARN**
The OCAP training period lasts up to 16 weeks, depending on the complexity of training. During this time, you receive a training allowance of $100 a week.

**GET PRACTICAL, ON-THE-JOB TRAINING**
OCAP gives you practical, on-the-job training. You learn in a real work environment, one of the best ways to improved your job skills, work habits and productivity. This work experience should increase your chances for jobs with more self-confidence. OCAP will not find you a permanent job, but it will help you to find one for yourself.

**FIND THAT PERMANENT JOB**
Job-search counselling and career guidance are also part of the OCAP experience. You will participate in workshops on how to search for employment effectively, how to write a good resume, and how to present yourself at a job interview. You will also be encouraged to apply for regular jobs and given help in arranging job interviews during your training.

**HOW TO APPLY**
Application forms for participation in the Ontario Career Action Program and further information are available from the OCAP office at your local community college or Canada Employment Centre.

**FOR FURTHER INFORMATION ON OCAP.**
**PLEASE DROP IN OR GIVE US A CALL AT 705-457-1680**

sir sandford fleming college

**EMPLOYERS OCAP CAN HELP...**

**IF YOU ARE AN EMPLOYER WHO WANTS TO HIRE A YOUNG, EAGER PERSON BUT CAN'T MEET THE INITIAL TRAINING COSTS...THE ONTARIO GOVERNMENT HAS AN EMPLOYMENT PROGRAM JUST FOR YOU.....**

**WHAT IS OCAP?**
The Ontario Career Action Program is designed to help young people learn practical, marketable skills on the job.

Many young people face a major problem. Lack of previous work experience prevents them from finding regular jobs related to their career goals and education, yet the only way they can get that experience is by being employed!

OCAP was created to help overcome this dilemna by bringing together unemployed youths and employers, with the help of your local community college.

**EARN WHILE YOU LEARN**
OCAP provides on-the-job training for a period of up to 16 weeks. Trainees will receive an allowance of $100 per week plus 4 percent vacation pay from the Ontario Government. Income Tax, Canada Pension Plan and Unemployment Insurance premiums will be deducted. Trainees are responsible for their own health coverage but most trainees will qualify for premium assistance. Enquire at your local OHIP office.

**WHO QUALIFIES?**
**Trainers:**
All Ontario businesses, industries, provincial government ministries, colleges, universities, crown corporations, municipal and federal governments are eligible to participate.

You must ensure:
- that the training will be for a period of up to 16 weeks, depending on the complexity of the job duties.
- that there are good prospects for employment of the trainee with you after OCAP.
- OR that the skills acquired in training are marketable in the community, so that job prospects for the trainee are good with other businesses.
- that no regular full-time or part-time employees are displaced in any way by the introduction of an OCAP trainee.

**PLEASE DROP IN TO OUR HALIBURTON CAMPUS TO DISCUSS YOUR TRAINING NEEDS OR GIVE US A CALL AT [705] 457-1680**

## Editorials

### Incredible

It appears that the Haliburton Midget hockey team has been figuratively butt ended by the Ontario Minor Hockey Association. The team learned on Saturday that Powassan, with whom they were scheduled to play the third game of a best of three out of five playoff series that night at the Dysart arena, had been told by an OMHA official not to show up. The reason? Haliburton has four players from Minden on its roster, and someone had launched a protest.

Hockey has reached a sad state of pettiness when situations like this are permitted to arise. What is most disturbing about the incident is that the OMHA did not bother to consult with Haliburton before rendering its decision and throwing the local team's playing status into doubt. If the OMHA had acted responsibly, it would have asked for Haliburton's side of the story. It would then have learned that Haliburton has played all season with the Minden players, that their playing cards, which the OMHA has had on file since the beginning of the season, clearly state that the boys played previously in Minden, and that Haliburton contacted OMHA officials by telephone before the season began to confirm the team's status in the 'DD' loop.

If league rules demanded that a combined Haliburton/Minden team play in a higher loop, that fact should have been made known at the beginning of the season. No one would have been upset by such a ruling, even if it meant Haliburton, with its very small organization and limited number of players, would not be competitive. But to change the rules, or at least the way the rules are interpretted, at this late stage, is simply unfair.

The OMHA is a strong organization, and its aims are for the most part beyond reproach. But its actions in this case deserve to be scorned in forceful terms. Haliburton should be permitted to finish the season the way they began it, playing in the 'DD' loop against communities of similar size. If that does not happen, a serious blow will have been dealt not only to Haliburton Minor Hockey, but to the credibility of the OMHA.

### Well done

No one would blame members of the Haliburton Rotary Club, and in particular Dale Robinson, for feeling a little discouraged at the looming prospects of an early spring. All last week, as the clock ticked away toward the start of the winter carnival, event chairman Robinson and everyone else who had a hand in the planning process, kept hoping that freezing temperatures would return to save a slate of outdoor events that were to occupy a big part of the weekend. It didn't happen. The ice kept melting, the rain kept falling, and the snow continued to melt away.

Under those circumstances, the carnival might have been doomed to failure, yet it wasn't. In the end, the carnival was a success, not only for the club, but for the community. And both groups deserve credit for the outcome.

There was no doubt that a wet, fog shrouded carnival lacked something of the wintry atmosphere which is part of the tradition. Certainly the lack of good snow kept visitors away in droves, and forced cancellation of cross country ski and downhill event organizers' plans. Snowmobile races too, had to be cancelled. Taken together, these things did make the carnival less busy than it might have been, but did they make it any less enjoyable? Not really. For it seemed that the carnival became more of a community festival this year than it has been in past years.

The Rotary Club deserves a pat on the back for its efforts, and so does the community, for rallying around events in less than ideal weather.

## Letters to the Editor

**To The Editor:**

I am trying to re-unite twin sisters who have been separated for more than eighty years and would be most grateful if you would make their story public.

Eliza (on whose behalf I am working) and Harriet Flynn were born August 1, 1901 in Hexham, Northumberland, England to Dorthy Ann, wife of John Flynn, a plasterer. Shortly after birth Eliza was adopted privately. Harriet and her mother came to Canada round about 1912. Eliza, who still lives in Hexham, is very anxious to find her long lost twin. Through research in the U.K. it has been established that the last news of Harriet occured in 1953 when she was reported to be living in Toronto with her husband and three children, two boys and a girl. Unfortunately there is no record of Harriet's husband's last name. It seems likely that Harriet and her mother may well have settled originally in the eastern provinces. The ladies have an older half brother, Billy McGarity, who is known to have worked for C.P. in the early 1930s.

If Harriet or her children recognize themselves from this outline or if anyone else has information about Harriet and her family please write to me at: 14 Gertrude Place, Toronto, Ont. M4J 1R3.

Thank you.

**Yours sincerely,**
**Juliet Mannock**

## Federation of Ontario Naturalists

**By ARLIN HACKMAN**

**Forests and Weather**

Naturalists have long believed there to be some connection between forests and rainfall. Until recently supporting evidence has been mainly circumstantial. However last year a pioneering study conducted in the world's largest forested area, the Amazon River watershed, came up with dramatic results. Scientists discovered that some areas of the Brazilian forest recycled as much as 75 percent of their rainwater back into the atmosphere by evaporation of transpiration.

The basic conclusion which this and other findings of the sophisticated study supports, is that a large forest can generate its own weather patterns. In global terms, forested lands can significantly affect the Earth's heat, water and sunlight which in turn are responsible for climatic variation. That's a rather important piece of news and it has generated a great interest in the scientific community.

In the most extreme case reported, 25 percent of the rainfall drained out of the area in stream runoff. Another 25 percent evaporated straight back into the atmosphere from droplets on the surface of trees, while the final 50 percent was transpired back into the air. Transpiration involves moisture absorbed through the plant's root system from the soil being carried by its vascular system out to the leaves where it is released through their pores.

The overall average amount of rainwater recycled was found to be 50 percent, quite enough to form new rain clouds. This provides a stark contrast to bare, deforested lands, which were found to return only one-tenth as much moisture, and grasslands or other vegetated lands, which returned only one-fifth as much.

Many hydrologists up to this time rejected the possibility that forest clearance or replacement by other types of vegetation would involve any appreciable effects on the water cycle. But this data indicates otherwise. So does the fact that water runoff is greatly increased in the absence of heavy vegetation to break the fall and where compacted soils reduce infiltration or where trees were cleared adjacent to watercourses.

Fine, but does this mean anything in Ontario? In principle, yes it does, because the underlying forest dynamics are the same the world over. However the full implications for the nurturing of forests in our climatic regime will require further study. It would appear to be worthwhile.

## Feir Play

Creighton Feir

One might say that the Rotary Club of Haliburton weathered the storm and working against all odds due to very, very bad weather conditions carried on like old show troppers. Although many of the outside events had to be cancelled the show went on as scheduled. There was no getting around the fact that the mild weather conditions and the rain that fell off and on for the three days had a definite effect on the number of people who travelled up this way over the weekend. Many people did come back but the numbers were down from other years.

When the results came in on Monday morning we thought that it would be a good time to sum up. Right off the top it was very disappointing to the organizers and the participants alike when most of the outdoor events just had to be called off. What a disappointment it was when the skiing events had to be called off not just on the weekend but through the week when the school carnival days were cancelled and the student who had been looking forward to this event for weeks, had to be told that it was all off. It was also discouraging to see the looks on the faces of the participants some who had driven hundreds of miles to take part in the snowmobile races and the ATC races on Head Lake when they were told that poor conditions on the lake had forced the postponement. The cross country skiiers had to be satisfied to leave there skiis at home as it was practically impossible to go anywhere for good skiing.

On the brighter side of things, most of the indoor events that were planned were a success. One outdoor event that did go on as scheduled was the lumberman's show and it drew the usual large crowd to the fairgrounds on Saturday afternoon. That ever popular musical group "Six Pack" packed the Legion Hall for the gala Carnival Dance on Saturday night and several people had to be turned away. Another big success was the Haliburton Figure Skating Club's annual Skating carnival which was held at the arena on Sunday afternoon. A crow of over 450 people were on hand for this year's theme "Smurfs in Strawberryland." The teen dance held in the arena auditorium on Friday evening with the crowning of the Carnival Queen as one of the highlights was well attended. The Teen Dance held in the same building on Saturday night was not a success. It could be that there were too many dances on the same evening. Everyone seemed to be quite pleased with the results of the second annual Trans Atlantic Dart Tournament which was held at the Legion Hall. In the eating department, the trapper's pancake breakfast was down from previous years, the chili supper at the arena on Friday evening drew double the people that it did the previous year and the spaghetti and meatball supper held at the Legion Hall on Saturday night had 300 people, about the same as last year.

Peter Kahnert, area supervisor for service club relations for the Easter Seal Society was a recent guest speaker at the regular Rotary Club of Haliburton meeting held at the Haliburton United Church. He gave the club some history and information about the work being carried out by the organization as well as thanking the club for their past fund raising efforts. The Annual Easter Seal Campaign will be coming up shortly and the Rotary Club of Haliburton's objective this year will be $2,800.

The Haliburton Junior Huskies were put out in the first round of the play-offs this year and their season ended a few weeks ago. This doesn't mean that hockey is over for this season. Three teams from the Haliburton Minor Hockey Association are still in the running and doing well in the play-offs. They are the Atoms, Bantams and Midgets. Please give them your support when they play their home games at the local arena.

I can't understand why the parking meters in Haliburton are enforced during the summer months but not during the winter. If this parking meter law was enforced all through the year everyone would be happy. As it is now it would seem that we are out to get the visitors when they arrive here for there vacation. I have noticed that most times during these winter months it is very hard to get a parking place on Highland Street and Maple Avenue where these parking meters are installed. One of the reasons being that many local merchants and their employees are parking in these areas. Some people are still trying to get their money into the meters but they tell me that some are broken and others just won't work. Let's be fair to all concerned and start to operate the meters all through the year. We have them so lets use them.

If you are out for a walk on these nice evenings don't miss taking a stroll by the Haliburton United Church. The large cross which has been installed in front of the church is now all lit up in the evenings and the lighting that has been installed behind the cross makes it something to behold. It looks even better from a distance.

John Powers in his outdoors column in a recent issue of the Toronto Star had quite a write up on Ralph Bice, the 84 year old author and trapper from Kearney. Ralph is also well known in Haliburton County where he has many friends and relatives. According to the news item he still runs his trapline as he has for the past 66 years. The charter member and past president of the Ontario Trappers Association is also a lay preacher, sometime auctioneer, guide, resort operator and Almaguin News columnist.

BETTY CARNOCHAN [DAWSON]

BERNICE CRAREY [SCOTT]

## Pic of the Past

These pictures from the early 1940's show Betty Carnochan and Bernice Crarey standing in front of Hugh Burke's restaurant in Haliburton, where they worked (now Mark's Cafe). It was one of the popular places in town at that time. Married now, they are Betty Dawson and Bernice (Bunny) Scott. Both still reside here. Our thanks to Cec. Bailey of Haliburton for giving us permission to use these two photos.

## Report from Parliament

By Bill Scott M.P.

Amid a very serious debate in the House of Commons on the ethics of the Prime Minister's Office, commissioning someone on the public pay-roll to scrutinize the private life of Brian Mulroney, the Government tabled its latest Budget on February 15th.

This Budget was of particular interest to me as Deputy Critic for National Revenue. For the past few months, as you know, our Party has been revealing the cruel and dispassionate approach taken by Revenue Canada. At last, in response to our requests, one of the major thrusts of this Budget has changes to the Income Tax Act and its regulations. In particular, those changes that were long overdue and most welcome are the extension of the time allowed for the taxpayer to file a notice of objection to a tax assessment to 180 days and the new policy which will eliminate the necessity of paying taxes in dispute before the objection is considered. Now the taxpayer will instead be required to deposit adequate security and not be forced to pay the taxes whether or not they are felt to be correct. This should go a part of the way towards elimination of the currenty guilty until proven innocent attitude in the Tax Department. Other measures which were overdue and have been requested for some time are the new regulations which will govern tax court decisions. Now the tax court will have the right to order Revenue Canada to pay any taxpayer up to $1,000 to cover the cost of a successful appeal. As well, it will now be established that anyone will have the right to a refund of an overpayment found by the tax court in its decision. Up to now, even if the court ruled in a taxpayer's favour, Revenue Canada was under no obligation to pay the judged amount.

For the last couple of years, I have spent much of my efforts in Ottawa trying to get the Government to acknowledge the difficulty senior citizens, in particular, have in paying quarterly installments in their income taxes. Continually, they have said yes they knew it was a problem, but could do nothing about it. Finally, and while I still have a Notice of Motion on the Parliamentary Order Paper asking the Government to eliminate quarterly payments for seniors, they have announced that they are going to address the problem. What they intend to do is increase the income tax threshold below which interest income is exempted from $400 to $1,000 and where interest assessed due to late or deficient quarterly payments is less than $25, it will not be assessed. These changes are particularly gratifying to me, as they show my work has not been in vain. To all those who supported me in this effort, I thank you and I hope these changes will be of great benefit to you individually.

Many of my colleagues, especially in Western Canada, have been fighting the current method of application of Section 31 of the Income Tax Act. In the past couple of years, Revenue Canada has reassessed many farm operations and disallowed their farm losses over the past five years, as they claim they are hobby farms with no reasonable expectation of profit. This has resulted in assessments far in excess of the taxpayer's ability to pay and has forced many farmers off their land. In this Budget, the Finance Minister says that they will establish a consultative group to study the problem. I hope that these farmers who are forced to take jobs off their farms just to make ends meet can hold on to their land until this group makes its recommendations, whenever that will be. Unfortunately, it looks as though this problem is far from a solution.

A number of proposals were included to simplify tax reporting procedures for small businesses. If implemented, this may indeed by helpful, but they are asking for input up until April 15 and then they will decide what the exact legislation will include. This looks like another promise which may fall well short of expectation when implemented. In any case, there is no doubt it, as the proposed Employee Profit-Participation Plan, will not be in effect until the 1985 taxation year. By then, several budgets may have come and gone and undoubtedly this Government will be just a bad memory.

This Budget also took a token swipe at the report of the Commitee on Pension Reform. The

## From the Chamber

Each year Sir Sandford Fleming College of Applied Arts and Technology, Frost and Sutherland Campuses awards Fellowships in Applied Education at convocations in May to citizens for significant achievement or contribution to their community. The awards are open to anyone, regardless of their educational or other backgrounds, and can be made for volunteer work in the community. The fellowship is an Honorary Award which recognizes citizens from any field of endeavour for meaningful accomplishments through the outstanding practical application of knowledge in any vocation or avocation. Nominees must reside or have worked in Haliburton, Peterborough or Victoria Counties. We have many hard-working dedicated people in this county who should be considered for this award and you, the public know best, who they are. Nomination forms are available at the Chamber office and should be forwarded to Bob Harrington, Frost Campus, Sir Sandford Fleming College, Box 8000, Lindsay, Ont., K9V 5E6 by February 24 or telephone 324-9144 ext. 260.

Minimum wages in Ontario will increase 35 cents to $3.85 an hour by March 1, 1984, with a further 15 cents rise set for next October 1, 1984. The last increase in the minimum wage was October 1981. We are expecting copies of all the changes at the Chamber office in the near future or you may order your own from the Ministry of Labour at Zenith 28680.

As you can imagine, with the temperatures soaring and plunging lately, we are being deluged with inquiries as to weather reports and snow depths, snowmobile and ski conditions, tourists wanting to know if this event or that event is still scheduled, what are the new dates if the event was cancelled, etc. etc. Most of the calls are from the southern parts of the province where the traces of winter have long since vanished and they must be re-assured that we still have lots of snow and ice. We do appreciate being kept informed by the Snowmobile Association and some resort owners as to the various trail and ice conditions, but would certainly welcome more last minute notifications of what is happening about your scheduled events. Visitors to the county sometimes become very annoyed after driving long distances to find conditions other than what they were lead to believe. It is also very convenient for us to know when resort members have openings available, particularly if they are on a weekend when tournaments, bonspiels or winter breaks are planned. The Tourist Information section of the Chamber is only as good as the information it receives and it certainly helps when we are all working towards the same goals. P.S. Does anybody know about the ski tour? The Chamber office is open Monday to Saturday, 9:00 a.m. to 4:30 p.m. or telephone 286-1760.

We would like to hear from the rest of you who are interested in attending the Sportsmen's Show with some of the dates between March 16 and 25. If you prefer, you can stay in the Highlands and we will display your brochures for you at this annual vacation oriented exhibition. Please call us now at the Chamber office 286-1760, for details. A brand new updated Chamber booth is presently under construction.

We have had inquiries about acting as middleman for the purchasing of postcards peculiar to the area. Naturally, the larger the order placed the better the price. If your business, be it gallery, museum, resort, maple syrup production, snowmobiling or whatever has one or more scenes it would like reproduced in minimum volumes of 2000 each, it could be of financial advantage for you to go co-op with the Chamber. A colour photo 4" x 6" is needed for reproduction. It might be necessary to go to last years file's if you want your trees in leaf to pick out the one/ones you would like to order to have the post cards ready for May 24. Please let us know now if you are interested at 286-1760.

We have lists of companies which have been licenced to produce and sell items featuring the Bicentennial logo which include such things as buttons, calendars, crests, pennants, T-shirts, flags, spoons, golf shirts, brass key tags, candles, recipe books, caps, playing cards, etc. etc.

- "Great Moments in Ontario" is a poster depicting significant events in Ontario's history with approximately 150 images and descriptions - it's Ontario's answer to Trivial Pursuit. These posters are available from the Ontario Govern-

## Queen's Park Report

*John Eakins, M.P.P.*

By JOHN EAKINS, M.P.P.
[Victoria-Haliburton]

The time of year has again arrived when many students are looking for summer employment. I thought I would take this opportunity to advise you of the Student Venture Capital Program 1984, which is part of the government of Ontario Summer Experience Program. It is operated by the Ontario Youth Secretariat and offers interest-free loans to persons who wish to plan and operate their own small business. The Student Venture Capital program can provide students with business start-up money to a maximum of $2,000 per summer business venture. The loan is interest-free from April 2, 1984 to the repayment deadline of October 1, 1984. Further details are as follows:

Who Sponsors Student Venture Capital?

The Ontario Youth Secretariat, the Royal Bank of Canada, and the Ontario Chamber of Commerce sponsor the program. Together with local participating Chambers of Commerce/Boards of Trade, they provide promotional, educational and consultative services during the planning and operational stages of the venture. In local communities, participating Chambers of Commerce or Boards of Trade receive applications, assess business proposals, and recommend to the Ontario Youth Secretariat whether applications should be approved. The Ontario Youth Secretariat gives final approval to loan requests and provides the Royal Bank with authority to issue a Student Venture Capital loan.

Who is eligible to apply?

1. Applicants must be returning to high school, college or university as full-time students in the fall of 1984.
2. Applicants must be 15 years of age or over. Applicants under 18 will need to identify a guarantor acceptable to the Royal Bank of Canada to obtain the loan.
3. Applicants will be considered for a loan only if most of the business activity is carried out between April 2, 1984 and October 1, 1984.
4. Because this is an Ontario Experience program, applicants must be eligible to work in Canada. Businesses must be operated in Ontario.
5. Applicants will be considered for a loan if, in previous years, Student Venture Capital loans were repaid on time.
6. A partnership, operating a single business, may apply for a maximum loan of $2,000.

Where to get Student Venture Capital Applications

Guidelines and application forms are available at:

- Local participating Chambers of Commerce or Boards of Trade.
- Ontario Youth Secretariat (416) 965-6911 or collect (416) 965-0546.
- College or university student placement centres.
- Canada Employment Centres for Students.
- High school guidance offices.
- Royal Bank branches.

Guidelines and application forms are also available at my Lindsay office. Telephone 324-6654 or toll free 1-800-461-7672.

The guidelines provide detailed information on how to apply. Subject to availability of funds, applications will be accepted by your local participating Chamber of Commerce or Board of Trade until June 15, 1984.

## Surveyors stage upset in semi final series

Bishop and Wilson completed the upset of the year on Monday night, winning their second staight game to eliminate Haliburton Lumber in semi final playoffs of the men's recreational hockey League. Haliburton Lumber had fought a see saw battle with Emmerson Lumber throughout the season for first place, while Bishop and Wilson finished in the cellar of the four team league. But when it counted most, the surveyors were able to come up with the goals they couldn't net all winter.

The first match last Tuesday night had been a rout, as Bishop and Wilson stormed to an 11-4 win. But few people expected they could sustain that pace, and it seemed likely that Haliburton Lumber would come back to tie the series Monday night. It wasn't to be however. Despite taking the lead twice in the game, the lumbermen were unable to get back their season winning form.

Paul Morissette put Haliburton Lumber on the board with 5:32 left in the first period, the only goal of that frame. He was assisted by Glen Scully.

In the second, Paul Howe evened things for Bishop and Wilson, with help from Steve Cooper.

A minute and 25 seconds into the third period, Pat Wilson scored with help from Kevin Newell to put Haliburton Lumber back in front. But the surveyors stayed in the game, and at 7:58, they tied the score at two as Paul Howe got his second of the night, assisted by Brian Black and Greg Bishop.

A little over two minutes later, Jim Winn netted what proved to be the series winner for Bishop and Wilson, with an assist from Greg Bishop.

The surveyors will now await the outcome of a series between Curry Motors and Emmerson Lumber, which is tied at one win apiece.

Curry Motors had the advantage going into Monday night's play after a 7-6 overtime win last week. But Emmerson Lumber put on a strong showing in the first half of game two and hung on to win.

Emmerson Lumber surged to a three goal lead in the first period Monday night while holding Curry Motors'

Please turn to Page 12

Ron Ellis may be retired from the Leafs but he hasn't lost many of the talents that made him a star throughout his long career. Ellis was among the former NHL greats who came to Minden last Friday for a game against a local all star team. Not surprisingly, the NHL'ers had to take it easy just to keep the score respectable.

Eddie Shack was one of the NHL Oldtimers who played in Minden Friday night to the delight of local hockey fans.

## Billings leads Haliburton Atoms to series win Sunday

On the strength of a four goal performance by ace scorer Jason Billings, Haliburton's OMHA Atoms wrapped up a best of five series with Fenelon Falls with their third straight victory on Sunday evening in Haliburton.

Fenelon Falls, in a must win situation, started off with a goal in the first period, but Haliburton wasted little time in replying. Billings' first goal was aided by Greg Stamp and Russell Morrison.

### Three wins

The score remained tied at one each going into the second frame, but Haliburton assumed control. Billings added his second of the night on a breakaway from centre ice, beating the Fenelon Falls netminder cleanly. He got his third later in the period, this time with help from Jamie Hunter and Chris Greenfield.

In the third period Fenelon Falls fought back to net two goals and tie the score at three. But two and a half minutes left in the game, Jason Billings netted goal number four and the game winner, assisted by Wade Wood and Chris Greenfield.

Haliburton Atoms now will advance to further playoff action against Millbrook or Bobcaygeon, with the schedule yet to be determined.

## Local deer herds get help through extensive feeding

from page 3

As of last week, some 43 Tonnes of feed had been purchased for use in the county, including 30 Tonnes of a corn/oat mixture, 10 Tonnes of pellets which have a high nutritional content, and three Tonnes of cob corn.

Consumption has averaged five Tonnes a week, according to MNR statistics.

Some 100 wooden hoppers are in use around the county, with anohter 30 pail feeders in locations where smaller numbers of deer are known to live.

The program received a boost recently through the volunteer efforts of the South Central Ontario Big Game Association, with 25 members volunteering a day of labour to transport feed to stations in the Hindon deer yard. As well, a special account has been established at the Toronto Dominion Bank in Minden, administered by Clayton Hummel and Craig Kellett, where public donations to the deer feeding program are received.

Despite the availability of feed in the various yards, deer prefer natural browse when they can get it, and along with the grain bins, ministry workers occasionally put cedar bows within reach of the animals.

The feeding program is expected to continue through to spring.

## Playoffs continue

By SHIRLEY WALKER

**Minden Atoms** are involved in a home and home round robin playoff. In Minden Saturday, February 18 they defeated Bobcaygeon 4-0. Scoring for Minden were: Kevin Buchanan from Steven Beaver and Randy Bull; Rob Ackerblade from Darren Sawyer and Hunter Obee; Rob Ackerblade from Philip Boyle and Darren Sawyer; and Darren Sawyer from Rob Ackerblade. Aaron Hie recorded the shutout for Minden, his third this season.

# Skating Carnival 84:

## Parents delighted as youngsters skate with enthusiasm

The Dysart arena took on an air of fantasy last Sunday afternoon as the Haliburton Figure Skating Club staged their annual carnival. An estimated 450 parents, relatives and friends were on hand to enjoy the show, which capped months of work by club instructors, executive members and parents.

A thin veil of mist rising from the ice added to the atmosphere as youngsters in delightful costumes portrayed "Smurfs in Strawberryland". A total of 16 numbers were performed, including several solos by skaters who will take part in inter club competitions later in the season.

Youngsters who took part in the show included Noelle LaRue, Danielle LaRue, Crystal Bain, Joanne Smith, Jenny Smith, Carrie Billings, Lianne Scheffee, Fraenzi Greber, Tanya Easton, Karen Elstone, Tracey Popple, Margaret Reiss, Eliza O'Neill, Carrie Martin, Leslie Burke, Cindy Byers, Carrie Baker, Teresa Scheffee, Lauren Wilson, Andrea Wilson, Andrea Black, Heather Bailey, Sabrena Pringle, Jeremy Scheffee, Brett Wilson, Benjamin Ripley, Margaret Teljeur, Cheryl Smith, Kim Oldrich, Shannon Stinson, Chriss Scott, Angela Brown, Angela Scott, Michelle Simms, Jennifer Scheffee, and from the Minden club, Sandy Bailey, Abby Burk, Warna Blakey, Misty Campbell, Kelli Dollo, Diane Garbutt, Jennifer Gentle, Julie Hall, Sara Lee Henderson, Janna Obie, Tammy Joe Pritchard and Tanya Willis.

Assisting Club instructor Penny Bird in staging the show were club president Arlene Scheffee, secretary Debbie Wilson, treasurer Rhonda Elstone, executive members Wanda Byers, Margaret Scheffee, Dorothy Black, Christine Bailey, Emily LaRue, and announcer Dorothy Baker.

Noelle LaRue in a solo number.

Tanya Easton skates to a lively tune.

Carrie Martin waits for the music to start.

Eliza O'Neill enjoyed her part in the show.

Sabrina Pringle, Heather Bailey, Brett Wilson and Benjamin Ripley in a dance number.

Eliza O'Neill Jenny Smith, Danielle LaRue, Carrie Billings and Noelle LaRue perform in the opening number.

Waiting for the show to begin are, from left: Lianne Scheffee, Noelle LaRue, Carrie Billings, Cindy Byers, Margaret Reiss, Karen Elstone, and kneeling, Fraenzi Greber, Danielle LaRue, Carrie Martin.

These happy skaters are, front row, from left: Andrea Black, Sabrina Pringle, Heather Bailey; back row: Carrie Baker, Jennifer Scheffee, Laura Wilson, Angela Brown, Andrea Wilson, Teresa Scheffee.

Benjamin Ripley plays to the crowd.

from page 1

show. It drew scores of enthusiastic and supportive spectators to the ball diamond in Haliburton, and with 11 contestants, there was plenty of exciting action.

Buck Cowan proved to be the best all round logger, winning two firsts, two seconds and a third place in five events.

In the power saw competition, Ed Heard was the top man. The cross cut saw competition was a fascinating duel among men who had plenty of practice with the tool in earlier days. It looked like Buck Cowan and Grant Clement were on their way to a win, but then Ken McKnight and Ross McKnight decided to challenge for the title. In a matter of seconds they cut through a 10 inch log to take first prize and earn appreciative applause from the crowd.

In the chair carving competition, Buck Cowan was the fastest of the day, and he also won the axe chop.

The tree falling competition was won by John Dunsmore.

Glen Hodgson of Haliburton Lake supplied the logs used in the event, and they were delivered to the site courtesy of Jim Reynolds. Bell Canada erected to logs for use in the falling competition.

Trophies for the lumbermen's show were supplied by Labatt's.

The day wound up with a spaghetti dinner prepared by the women of St. Anthony's Catholic Church which attracted about 300 hungry people. In the evening the Legion was packed for the Carnival dance. Winner of a draw for a weekend in Toronto was Dale Walker of Haliburton.

Rounding out the carnival on Sunday were two crowd pleasing events. The second annual international dart tournament was held at the Haliburton Legion, and this year the local players topped their counterparts in Deadman's Cross, England. Members of the winning team were Jim Hobson, Reg Crockett, John Briggs, Bernard Bain and Geordy Vincent. And the Haliburton Figure Skating Club put on a dazzling display of skating skills at the Haliburton arena to wind up a full weekend of activity.

The mild conditions didn't deter keen anglers who wanted to take part in the fish derby competition. The event began Friday and wound up with final weigh-ins on Sunday afternoon. Overall winner was Gord McWalters of Haliburton who landed a 4.73 kilogram pickerel (almost 10.5 pounds).

THE HALIBURTON COUNTY ECHO AND MINDEN RECORDER

Lilian Curry, seated, recently was presented with an Eastern Star pin by Jean Casey, former DDGM on behalf of the Highland Chapter in honour of 60 years of continuous membership in the organization. Pictured with Mrs. Curry are, from left: Bea Herlihey, Mary Walling, Wes Baker, Kitty Baker, Vivian Austen, Maxine Curry, Elizabeth Herlihey, and Mae English. (photo courtesy of Harold Herlihey).

## A Pinch of Sand

By H. JEAN BROWN

Here at home a salad means something green and crisp, pepped up with a tangy dressing or a vinaigrette. Not so in Florida, and particularly in the winter. Floridians serve what they call a winter salad. A winter salad can be made from almost anything but it is hot and often surpisingly good. The hot chicken salad comes from Alabama but the lettuce one is pure Florida. Have fun.

**Hot Chicken Salad**

3 cups chicken cooked and diced
1 can cream of chicken soup
1½ cups cooked rice
1 tblsp lemon juice
¾ cup mayonnaise
¼ cup water
2 cups crushed chips
1 cup celery chopped fine
½ cup sliced almonds
2 tsp green onion chopped
salt & pepper to taste
3 hard boiled eggs sliced
¾ cup grated cheddar

Combine chicken, celery, onion, nuts, soup, rice, lemon juice, salt and pepper. Toss and set aside. Mix mayonnaise and water, stirring smooth. Pour over chicken. Add eggs, toss lightly and spoon into casserole. Refrigerate 8 hrs. Bake at 425° 10-15 minutes. Sprinkle with cheese and chips, bake additional 5 minutes. Serves 6-8.

**Wilted Lettuce Salad**

Separate 1 medium head of lettuce, place in bowl, sprinkle with 1 green onion (large) chopped fine. Saute 3 slices of bacon crisp, remove from pan, crumble and sprinkle over lettuce. Pour all but 1 tblsp bacon dripping from pan. Combine 1/8 tsp dry mustard, ½ cup heavy cream, coarse pepper, beat smooth and pour over lettuce. To dripping in pan add 2 tblsp vinegar, heat and pour over lettuce. Toss and serve. Serves 5-6.

## Did you know?

By RUTH FOSTER

Did you know -- that this year in your interim tax bill, you will receive a Haliburton County Information Centre flyer? Each township office in Haliburton County (except Dysart et al -- they will include the flyer in the final 1984 tax bill) has been kind enough to help us provide you with this County-wide mail-out. Without their co-operation and support and the help of the dedicated volunteers we have working with us at the County Information Centre, this would not have been possible.

We designed the flyer so that if you keep it by your telephone, or in your wallet or purse, then it could become one of the most useful items in your home. The next time you need the telephone number for OHIP, or some help with government pensions, or perhaps even a list of day care centres in our county, you will always have our telephone number and/or address handy. The flyer also provides you with out office hours and a brief description of the services we offer to all the people of Haliburton County.

We hope you will keep it handy and use the Haliburton County Information Centre soon. We are open Monday through Friday, 10:00 a.m. til 4:00 p.m. We are located in the Drag River Municipal Building in Haliburton (across from Emmerson Lumber) and our telephone number is 457-2733.

And remember, you will never know the answer until you ask the question.

## Senior League

By BERT HARRISON

A very interesting service was held in the chapel Sunday night. When the Thompsons come to do their parts everyone turns out right. Well readers, much milder weather, what a relief it brings. We wouldn't be surprised if we get a real early spring.

Linda showed us three movies Monday night, they were really fine, "Upper Canada Village", "Saddle Making", and "Spring Time".

Rev. Wicks of Minden Gospel Church was to have taken the serive in the chapel Tuesday but didn't come so I guess he was away. Doris took over and did a good job too. We can always depend on the Robertson sisters; no matter what the problem they always see us through.

We welcome Marjorie Shuler back to Hyland Crest, she had been in hospital, doctors making tests.

Lola Prentice is wearing a sunny smile and no wonder by the way, she had a great grandson born this Valentine's Day. Also on this day we had a lovely buffet of Chinese food, just help yourself to all you want, it was really good. Tuesday afternoon we played the guessing game again this time it was the ladies against the men. The questions were really tough but all in fun. When the game had ended the ladies had won. We told you some time ago Edith Welch had a real bad fall, now they find the hip is fractured not just bruised after all.

Congratulations to Percy Drysdale, we would like to say, who was eighty years young on Valentine's Day.

Tuesday night is music here but it was so foggy our musicians didn't appear. The lady members of the Salvation Army from Haliburton served a tasty lunch this Thursday. We were glad that we were there. They led us in a sing son and also closed with prayer. We always thought the Army grand, always there when needed to give a helping hand.

The bingo was conducted here Thursday night by Peter Dollo and Rick Hamilton. Thank you boys for coming and a job well done. We would like to tell you in this letter, we are blessed to have Mrs. Corby back from hospital. We hope she is feeling better.

Friday morning down at fun and fitness, we had some real sports to help kick the balls around the gym, Karen Little, Andrew Sisson and Teresa and David Short. They also came along Friday afternoon, sang two numbers for us and helped out in the sing song.

**On My Way to Work**

Dear Lord excuse my heavy boots
My dungarees and cap.
I'm praying on my way to work
For I'm a working chap.
The bus is just ahead dear Lord
We surely have time to pray.
For strength to be a better man
Than I was yesterday.

**Bert Harrison**

## Horticultural group to be a Society

By HAZEL ELLIOTT

Plans were set in motion this week by 1983's Horticultural Group to become a full-fledged Horticultural Society. On March 22, the secretary of the Ontario Horticultural Association, Tony Hogervorst of Guelph, will be the guest, to install officers and outline purposes and procedures of a Society at local, district and provincial levels. This will be a public meeting to be held at the Drag River Building (Information Centre) at 7:30 p.m., and if you'd like to be on the executive, or to nominate someone, please phone Sheila Popple at 457-1150. If you are at all interested in horticulture, you don't have to reside in the village to be a member. The 1984 memberships of $2 are now due.

This hard working group enlists your support, by your attendance at this and subsequent meetings and where possible, assisting with ideas and work in the summer projects. During 1983, the group built the planters at the street in front of the IGA, maintained the flowers in the pots and planters on the main street and beds at the cenotaph. In October hundreds of bulbs were planted in the planters at Head Lake Park. Financial support came from Haliburton businesses, council and membership fees. Once a local Society is organized, the OHA makes grants to it, based on a formula incorporating number of members, budget, and number of volunteer hours worked.

It appears 1984 is shaping up to be an even busier year. The beauty of our town and the compliments are well worth the effort. It is hoped you'll want to be a part of it. It isn't all work. There's lots of fun too. Remember to watch the current events column in the Echo to learn the topics and speakers for regular meetings, scheduled (usually) on the third Thurs-

# Beavers, Cubs receive awards at banquet

## Leaders also honoured for service

Winners of the best Cub award were Derek Wilson from Pack 'A' and Michael Ellis, from Pack 'B'.

**Four men have put in more than 70 years to boost Scouting in Haliburton**

from page 1

Roberts was honoured for 15 years of service. Along with the 30 year pin to Len Salvatori, the awards represented more than 70 years of service to the scouting movement in Haliburton among the four men, Kennedy noted.

Dennis Baker then unveiled awards from the group committee to Howard Roberts, who has been secretary treasurer for 18 years, and to Terry Barnum, who spent 13 years as leader of Pack 'B' before stepping down recently.

The evening concluded with a speech and slide presentation by Don Kennedy.

Receiving awards for the decoration of their Apple Day baskets were: Peter Buckley, Steven Smith, Mike Morrison and Colin Sisson. (Missing from the photo is Casper Brohm.)

Winners of attendance awards presented at the father and son banquet Monday night were, from left: Greg Sharp, Jamie Teatro, George Sharp, Brett Jackson and Mark Brohm.

Members of the Haliburton Beavers received pennants Monday evening at the annual father and son banquet. Pictured are, front row, from left: Daniel Selbie, David Harrison, Randy Smith, Jackie Morrison, Leigh Perring, and Luke Talaba. Back Row, from left: Jeremy Scheffee, Scott Whittaker, Ryan Smith and Michael Hartwick.

**Buy the #1 RRSP fund.**

That's Industrial Growth Fund. Over the past 10 years, it has averaged more than 19% – first in long-term performance among all investment funds eligible for RRSP.

And, in the past year, it's up more than 32%.

Quite a record. Quite an RRSP.

THE HALIBURTON COUNTY ECHO AND MINDEN RECORDER

## Kinmount Korner

By MILLIE MOSS

It is looking like spring is not far off but watch out for the big blast we'll get before the winter is behind us.

I hope all our sick people are well soon and to be counted among them are: Ida Young, Mrs. Nacy Carefoot, who is in Minden Red Cross Hospital, Sam Telford, Archie Williamson, Vi Crego, and Mary O'Toole. I'm glad to hear Bob Allen is now home from hospital.

The Kinmount Public School students from Grades 4 and up had a great time recently, when they set out on a snowshoe trek. I can remember when I had to use snowshoes to go out through a huge apple orchard to get to the road where my mailbox was situated. That was 'way back when Bill was overseas in war time. I sure enjoyed those walks and the stillness all around me.

Bill and Virginia Barkwell of Howland Junction Road enjoyed a few days last week, visiting with family in Burlington.

There have been lots of changes, so I'm told, in the Minden and Haliburton Post Offices with Lloyd Johnson being new Postmaster at Haliburton and Dorothy Rowe being the new Postmistress at Minden. Welcome and may many years of good things be ahead for you.

On Saturday, February 11, Charlie Cameron of Coboconk was a visitor at Mary L. and John Pyke's home in Norland. Sunday saw Ida and Clyde Pardy of Coboconk and Lindsay as guests and then on Tuesday, Mrs. Frances Gunn of Norland, along with Alma and Kili Graham of B.C., were welcome afternoon guests.

Bill and I enjoyed very much a pleasant visit and dinner at the Norland home of Helen and Alex Graham, Monday, February 13.

Heartiest congratulations to Doug and Marilyn Cameron who can now boast of "my three sons" following the birth of another little boy weighing in at eight pounds 11 ounces. Tyler Dustin is baby brother to Nicholas and Daryl.

Results of the Galway Wednesday night card party: ladies' high, Ruth Menard; ladies' low, Alma Harper; men's high, Harry Stuart; men's low, Em Harper and lone hands, Bill Menard.

Happy birthday wishes to Hilda Chynoweth on February 13 and to Alice Madill on February 15. Happy birthday was sung to the ladies at their meeting with the New Horizons Senior group. Happy birthday wishes also go out to Gertie Crichton and to Thelma Saunders who will be 81 on February 29. Best wishes too, to Marie Card on the 25th of February. Marie and her husband, Bill also celebrate their wedding anniversary on the 26th. Mrs. Mary Hills celebrated her 89th birthday with a party at the home of her son Jack and his wife Joyce with all the family attending. A happy anniversary to Jack and Marion Sweetland who celebrate their 48th on February 21.

Results of the CWL five tables of euchre Tuesday, February 14: men's high, Ed Byrne; men's low, Joan Hyams; ladies' high, Vi Cooke, ladies' low, Esther Graham; most lone hands, George Dickie. As it was Valentine's Day, Aileen Brown made one of her beautiful cakes which everyone enjoyed very much.

Get well soon wishes go out to Mary Phillips who had hip surgery Friday, February 17, Sam Telford who had leg surgery last week, Madeline "Toady" Hartin who also underwent surgery recently and Shirley Newman who has been having extensive dental work. I hope also, to hear Vivian Anderson, Hurley Bennett, Marion Sweetland and Verna Crego are all feeling better by the time you read this.

Results of the recent broomball tournament: C. division trophy to the "Odd Couples", B division - Coboconk, and A division - the Kinmount Oldtimers. Congratulations to all.

Winner of $20 in the Kinmount Legion 50/50 draw last week was Lee Yewman.

Zone Sports F4 for February 11: Shuffleboard at Haliburton was not too well represented with just three teams. Two from Haliburton and one from Lindsay. As two teams go on to District, Haliburton won both places but Lindsay only lost by two points. It was a very good bit of shuffleboard by all present. Thanks to the members of Branch #129 for hosting same and the assistance in fair play in games.

The Sommerville Township Bicentennial is coming up and the committee has been very busy of late preparing all kinds of enjoyment for you. There will be a Pioneer Day on Sunday, July 1 from 1:00 p.m. on - at the Kinmount Fairgrounds. Hopefully there will be a beautiful display of fireworks in the evening. A number of the school children will be vieing for prizes for their written essays and a very nice brochure is being made up of our area, i.e. churches, shows, our annual fair, hopefully, ads from all the business people will be included and if you should have any old family portraits, old pictures of this part of the country, anything to show in the book, kindly contact Guy Scott at 488-2737. Your photos etc. will be returned to you so you business people get busy on the ads you wish to insert and all of you buy one of these books. I already have my order in for one.

Nova Scotia's acclaimed Mermaid Theatre will present a unique "puppet musical" on Friday, March 16 at the Community Hall under the sponshorship of the Victoria County Public Library, Kinmount Branch. The music, lyrics and script for "Puss-n-Boots" are the work of Sandy Moore, a talented Nova Scotia native whose services are increasingly sought by young people's companies across Canada. In addition to frequent engagements with Atlantic region companies such as Mermaid Theatre and Actors Tryworks, Sandy has served as musical director, composer and performer with Kaleidoscope Theatre and Caravan Stage Company of British Columbia. Sandy Moore is joined on stage by Jo-Anne Rolls, a versatile Nova Scotian performer with diverse experience in all aspects of show business. In addition to frequent touring with regional bands, she's appeared on the CTV network, has had her own one-woman concert and has performed in Mermaid's productions of "Sam Slick", "The Clockmaker" and "Pinocchio".

Michael Petersen completes the "Puss-n-Boots" cast. A native of B.C., Michael has worked with young people's theatres for ten years. Prior to joining Mermaid Theatre, he toured with Bastion Theatre Youth Touring Company, serving as performer, technician, designer and puppeteer.

"Puss-n-Boots" is directed by Graham Whitehead, Mermaid's artistic director. A skilled director, performer and teacher, he has worked with Atlantic Canada's major community and regional theatres, and has appeared on TV and in film. Graham's productions for Mermaid Theatre, drawn from regional history and literature ("Louisbourg", "Shadow Valley", "Sam Slick", "The Clockmaker"), have been seen by more than 50,000 high school and university students in the Atlantic region, while his plays for younger children ("Just So Stories", "Anna's Pet") are winning audiences across the country.

Puppets and props for "Puss-n-Boots" were designed by Leo and Dora Velleman, of Canadian Puppet Festivals. Among Canada's puppet pioneers, the Vellemans toured widely before retiring in 1982. Mermaid Theatre is Atlantic Canada's major theatre for family audiences.

Founded in 1972, the company has crossed Canada several times, performing in all 10 provinces as well as in England, Wales and the U.S. Mermaid makes it home in Wolfville, in Nova Scotia's lush Annapolis Valley. In addition to theatre performances for family audiences, the company regularly undertakes extensive school tours for youngsters. Mermaid's spring 1984 tour of "Puss-n-Boots" has been made possible with assistance from the Canada Council and the Nova Scotia Department of Culture, Recreation and Fitness.

TJ's would like to thank all their former customers for all their business and friendship but due to circumstances beyond their control were force to close the shop. They are also sorry that now they see youngsters around town with little to do with their time and if TJ's can find space they will start up a business once again.

Stay well, read the Echo and call me at 488-2353.

## Norland Natter

By KELLY GRAHAM

Well, it looks like I really goofed on my opening line last week. It looks as if winter really is saying its last goodbyes. Let's keep our fingers crossed.

Last week I mentioned the annual public-speaking contest on February 28 at the Coboconk Legion Hall. The representatives from our school are Jeff Davis and Colleen Janke, both in grade eight, senior category and Melanie and Kelly Vanier in the junior category. Melanie, who is in grade six, will be speaking on Lotto 649 and Kelly, grade four, is speaking on skiing. Colleen is discussing allergies and Jeff's going to talk about fads. Congratulations to all of you, I'm sure you'll make us proud.

Now here's your big chance to educate yourself on community happenings, besides, of course, reading the Norland Natter. Our Reeve, David Graham will be speaking on CKLY Radio station on April 17, June 19, and August 21. Mr. Graham will be giving a one-minute report on what is going on in their municipality, either upcoming events, severance changes, building construction and renovations, special functions or visits from V.I.P.s. So, if you would like to know exactly what your local council is up to be sure to tune in.

The hockey scores for Sunday, February 12 were as follows: the Excavators defeated the Gravellors 10-7 and the Taverneers beat the Generals 9 to 5.

Because of the weather the Bicentennial committee has postponed their winter activities until May 12, when more fairweather fun will be planned.

There was a neighbourhood watch meeting on Saturday, February 11. Many policemen were in attendance explaining to the people how to protect their homes.

Also last Saturday, (February 11) an anniversary party was held for Koli and Alma Graham's 25th wedding anniversary. The happy

Please turn to Page 13

## Wilberforce News

On Thursday evening a Girl Guide service was held in the Memorial Centre. Guides, Brownies and Pathfinders from the Highland District joined together in preparation for Thinking Day. Thinking Day takes place on February 22. It is a time when the Guides think of their happy bond of friendship with other guides of many races throughout the world. At this time they also remember the founder of the Guide movement; Lady Baden Powell, whose birthday has become Thinking Day.

Buses brought members from Haliburton and Minden. Family members also were present. A short service took place with a flag ceremony, welcome to all, a recitation of Guide vows, prayers and singing. Later, in an orderly fashion, all proceeded to the back of the Hall where they assembled in a circle around a camp fire. At this time the fun began with a series of hilarious games that allowed everyone to loosen up with great enthusiasm. When things became too noisy the leaders were able to command instant silence with a hand signal which showed respectful discipline within the group.

The success of the evening was the result of good planning by the leaders. The leaders perform a valuable service to the community by giving freely of their time while coaching and instilling in the girls the high ideals, so important and helpful to their future. Mary Barker, who has donated years of service to the guide movement, gave a sparkling performance as hostess of the evening.

Saturday, February 18 was a dull day. This, however, failed to dampen the spirits of the eager fishermen. They hopefully set out from the Legion Hall to capture the big prize offered by the Legion Fish Derby. There were many good spots to consider. On Dark Lake the ice was firm although a deep covering of snow had caused some melting at the shore line. It was Grace Lake that produced the prize of the day. Jeff Hunter of Gooderham proudly showed off his 3 lb. 13 oz. lake trout. Murray Hunter of Gooderham claimed second prize with a total weight of seven pounds and third prize went to Gary Stone and Ralph Watson who split on two trophies eight inches long.

Draw prizes were donated by local merchants: Red and White store, IGA of Wilberforce, Ridgeview Restaurant of Harcourt, Clip and Curl, Glen's Variety and Schwandt's Building Supplies.

Members of the ladies' auxiliary provided lunches and the successful day ended with a dance with music provided by Delores and her group from Harcourt.

The Gary Agnew Memorial Tournament, with Bantam teams participating, drew great crowds to the Wilberforce arena on Saturday, February 18. The results of the games are as follows: Wilberforce 5, Immaculate Conception 2; Norwood 9, St. Anne's B 3; St. Paul's B 1, Douro 0; Keene 2, Beudley 1; Immaculate Conception 5, St. Anne's 3; Norwood 5, Wilberforce 4; Douro 6, Bewdley 4; St. Paul's 10, Keene 2; 'B' Consolation: Douro 4, Immaculate Conception 0; Championship: Norwood 1, St. Paul's 0.

At the Library on Friday evening at 7 p.m. there will be a craft show and films for the children.

A big week of action is expected at the curling club on February 24 and 25, when the Industrial Bonspiel takes place. There are not many weeks lefts to enjoy this good winter sport. Get in touch with one of the members if you decide to take part in this event.

## Minden news

By MAIZIE AUSTEN

A happy birthday to David Ackerblade Thursday, February 23.

Sincere sympathy to the family and friends of Laura Mole.

All the best to Wendy Hughes on her new job as manager of the Minden Dixie Lee.

Paintings done by the late Dr. Jamieson and a quilt display by local persons will be on exhibition at the Agnes Jamieson Gallery until Monday, February 27.

Salvation is not something we achieve but something we receive.

A belated happy birthday to Mrs. Daniels. Mrs. Daniels had her 99th birthday Monday, February 20.

Reg, Carol and Karen Leaman of Keswick were Saturday visitors of the Milt Sears.

Brenda Clark was the winner of the 50/50 draw at the Lions Club Valentine dance on February 11.

The Mini Card Party winners last week were as follows: Euchre - lone hands on a cut, Peggy Brown, Diane Warnes and Freda Stacey. For Crib - Vera Ward and Joyce Hewitt.

If you have any news for me to print please call 286-3607. Thank you.

A happy birthday to Anita, Friday, February 24.

The crows were seen and heard around the Minden area last Tuesday. Now with the snow Monday morning they may have returned a little early.

Household Hint: Linen that has become yellow may be bleached snow white if soaked in buttermilk for a short time. Rinse and hang in the sun.

Therm Corby has returned from hospital. I hope you are feeling better, Therm.

Shirley and David of Rosemount visited Marie Austen on the weekend.

from page 6

shooters off the board.

Joe Roberts opened the scoring with help from Dean Curry. Kim Emmerson helped to make it 2-0 a little over five minutes later, and with 4:45 left in the opening frame, Jerry Walker netted one with help from Roberts to give the lumbermen a three goal advantage.

Early in the second period Gary Brohman got goal number four for Emmerson with help from Walker, and it looked like a rout was in the making. Curry Motors had other ideas, however, and at the 4:20 mark, Rick Wood scored unassisted.

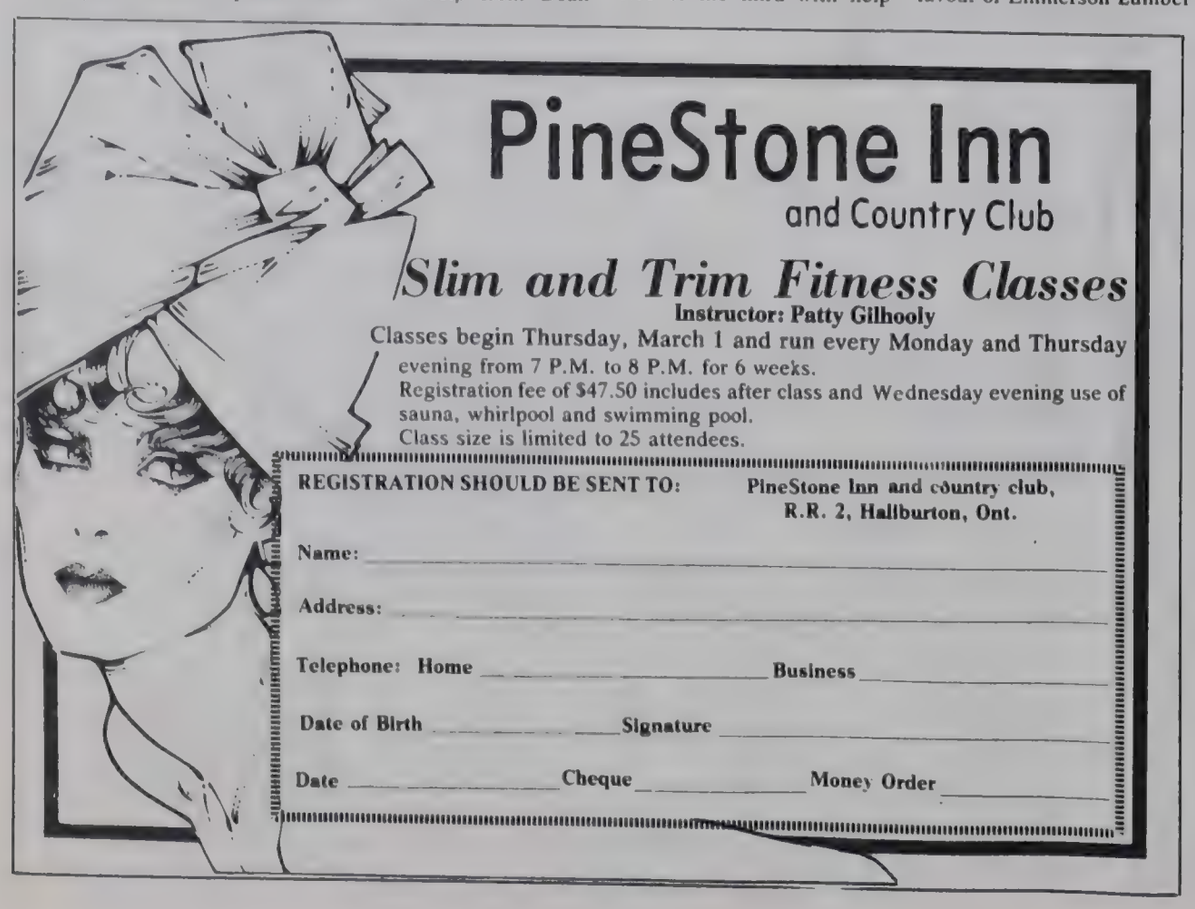
The goal wasn't enough to spark a comeback, as Emmerson shooters added two more, Guy Ramsey scoring at 5:47 with help from Dean Curry and Bill Johnston making it 6-1 at 8:12, assisted by Brian Mulholland.

With 3:07 left in the period Jim Burke scored for Curry Motors with help from Steve Roberts and Gary Burtch to make it 6-2 in favour of Emmerson going into the third.

Joe Roberts got goal number seven for Emmerson at 1:55 of the third with help from Dean Curry and Gary Brohman.

In the rest of the game Curry Motors added three more, but it wasn't enough to catch up. Scoring were Scott Cook from Peter Lymburner, Luke Schell from Rick Wood and Jim Burke, and Burke from Steve Roberts and Burtch.

Final score was 7-5 in favour of Emmerson Lumber



# Gooderham News

By MARY HADLEY

The newly formed Gooderham Bridge Club met last Tuesday. The evening was quite successful and enjoyable. Anyone interested in playing bridge is welcomed. The group meet in the school each Tuesday at 7:30 p.m.

The UCW met at the home of Mrs. Mae Pickins last Tuesday afternoon with a good attendance. The president, Jean Goff, conducted the devotional period. Vanieta Pickens gave an informative talk, illustrated with a chart, on Jerusalem. She explained the significance of its several names and gave a description of the city itself. Plans were discussed for holding an anniversary of the Gooderham United Church on July 7 and 8. Invitations will be sent to former pastors and friends. Vanieta served a delicious lunch.

Glamorgan Senior Citizens met for their regular weekly meeting last Wednesday afternoon in the Community Centre. President, Ivan Hunter, welcomed all and called on Doug Hughes to ask the blessing. Peggy Dermott, lunch convenor for February, had taken great pains to prepare the lunch for this special St. Valentine's Day. A valentine was placed at each plate. A nourishing and delicious homemade minestrone soup, rolls, and cup cakes, tarts and other goodies, attractively decorated in keeping with the Valentine theme, were all created by Peggy. To bring them from her home on Wolfe Lake, at this time of the roads break-up posed a problem. But Brian solved that with his snowmobile, transporting them and Peggy to the car parked on the county road.

Ken Bell, chairman of the committee to participate in an ice sculpture competition, sponsored by the Kinsmen Club which is celebrating its 64th anniversary on February 20, reported that the mild weather and lack of ice made this project impossible.

Evelyn Vanderland reported that the quilt being made for Ontario's Bicentennial was progressing nicely. Dorothy Robertson and Marjorie Madill are masterfully doing embroidery work on the logo. When they have finished, quilting can begin.

Following the adjournment of the business period the members broke up into groups to play bridge, euchre on just to chat.

We are pleased to know that Theresa Peacock has returned to her home. We trust her improvement will continue.

Myrtle and Ross Alsop, accompanied by their daughter, Valerie, of Prince Albert, visited recently with Vivian and Tommy Dovell.

Grace Gill, of Tory Hill, met with an unfortunate accident when she fell and broke her arm. She is now resting more comfortably at the home of her daughter, Darlene, in Lindsay.

Olive Peacock is in Wellesley Hospital following knee surgery there. We hope she will be able to return to her home soon.

Pat Adams has been able to return to her home after having had surgery in St. Joseph's Hospital, Peterborough. Continued improvement, Pat.

An enjoyable evening was spent last Wednesday in the Community Centre when five tables of euchre were played. Anne Franke is in charge and merits your support.

On Thursday afternoon the Ladies' Quilting Club met in the basement of the Pentecostal Church. The ladies worked like busy beavers, cutting blocks and assembling one quilt while others worked on quilting another. A period of fellowship and lunch ended a pleasant afternoon.

Brownies and Guides from across Haliburton County gathered in Wilberforce last Thursday night to take part in Thinking Day events. The youngsters played games, enjoyed a campfire, and later had refreshments before setting out on the journey back to their communities. Many parents also turned out to enjoy the program, which is an annual event.

# Dorset News

"If you have tried, and have not won, never stop for crying: all that great and good is done just by patient trying."

The January thaw never came but what's wrong with a February thaw? The lakes have never frozen solidly and I guess the warmer temperatures and rainy weather won't help, but with a month and a half left, anything can happen, and usually does. With Valentine's Day over we hope that Cupid shot his arrows in the right direction and that everyone is happy.

We have a couple more birthday celebrants in February. Tony Lesage will be nine on February 24. We wish him a happy birthday. And a very sincere wish for good health and happiness to Doveina MacKay in the year to come, who celebrates on February 24. May she enjoy many more.

The World Day of Prayer will be held in St. Mary Magdalene's Anglican Church, Dorset, on Friday, March 2 at 2 p.m. Everyone is welcome to attend this service and since it is universal and will be held at churches all over the world on this day, we hope with the troubled state the world is in, that we will have a good attendance.

We are happy to announce that Mrs. Sheila Tappin is convalescing at home after having major surgery at Huntsville Hospital. We wish her a speedy recovery.

Mrs. Marcella McKay is at home after spending a couple of weeks visiting her children, daughter Susan and husband Terry Brady at Willowdale and son Earl at Camp Borden. Earl then spent some time in Dorset with his mother. Also visiting was Marlyn Bennett of Camp Borden.

A well attended bridal shower for Debbie Morris was held at the Community Centre on Friday evening last. Debbie received many beautiful gifts. It's always surprising at these showers that there are practically no duplications, which is not a planned thing, of course, just a happenstance.

The snowbirds continue to keep the trail to the sunny south hot. Some are coming home and others are leaving. George and Margot Crouse have returned from their annual trek to the land of oranges and sunshine.

H.H. When using a pitcher to dispense syrup at the table for pancakes or other goodies, try lightly greasing the lip with butter, margarine or cooking oil. No more drips on the tablecloth. Be sure the lip is dry before greasing.

# Home Support News

By MARIE WALLACE, Co-ordinator

All seniors in Haliburton County are invited to attend a special musical entitled "No No Nanette". This invitation is extended to you by the students of our secondary school who are producing the show.

The one-hour version will be held on Tuesday, February 28 from 1:00 to 2:00 p.m. at the Haliburton Highlands Secondary School in Haliburton. The bargain price is $1.00.

I am hoping that many of you will attend. I'm sure you'll enjoy the production and by your presence you will be encouraging our young people. We need intergenerational activities and this is an opportunity to give your support to students who are participating in worth while endeavours.

Plan now to come and invite your friends as well. Please call Home Support at 457-2941 for a reservation as soon as possible so that sufficient seating is arranged.

# Norland Natter

from page 12

couple was presented with a silver tray and an original painting of a laneway north of Norland where Kili used to live. Congratulations.

The euchre scores for Thursday, February 16 were as follows: ladies' high, Norm Shorter; ladies' low, Rhonda Brohm; men's high, Paul Lightfoot; men's low, Tom Bowins; lone hand, Barbara Kenneth.

Congratulations to Anne-Marie Payne, this month's safety patroller of the month for the Northern School. Anne-Marie attends Coboconk Public School.

# County of Victoria

**[PUBLIC NOTICE]**
**[VICTORIA COUNTY OFFICIAL PLAN]**

**TAKE NOTICE** that the County of Victoria will hold a Public Meeting to consider a revised draft Official Plan for the County of Victoria under Section 17 of the Planning Act. The revised draft is a result of the Five Year Review of the Official Plan. There are numerous changes to the land use designations and the policies with respect to the division of land being the Consent Policies. The development control and implementation section will contain new policies with respect to waste disposal, notice for amendments to the Official Plan and Zoning By-Laws, site plan control and community improvement. The schedules within the Official Plan are being updated and revised. Any person may attend the Public Meeting and make written or verbal representation either in support of, or in opposition to the proposed Official Plan.

The Public Meeting is to be held on FRIDAY, MARCH 9, 1984 at 1:00 p.m. at the Lindsay Armouries, 2nd Floor, North End of the building, Kent Street West at Sussex Street, Lindsay, Ontario.

Additional information relating to the proposed Official Plan is available at the County of Victoria Planning Office, 42 Victoria Avenue North, P.O. Box 658, Lindsay, Ontario K9V 4S5 (Telephone 705-324-9460).

DATED at the TOWN OF LINDSAY this 6th day of February, 1984.

THE CLASSIFIEDS HAVE SOMETHING FOR EVERYONE

## Local Theatre group ready to hold auditions for 10th production in May

from page 3

little different from those that have gone before, organizers have decided to stage three, one act plays, and give all proceeds from the performances to charity.

Caryl Douglas, who has acted and directed with the group since it was formed three years ago, says that up to 15 actors and actresses will be needed to stage the tree plays if every role is filled by different people. Individuals also are needed to work backstage and in various production capacities.

"We need all the frustrated actors, stage hands and spare bodies we can find" Douglas said in an interview last week.

Auditions will be held this Thursday beginning at 7 p.m. at Caryl Douglas' home in Gelert. Anyone interested in trying out for a part, or in assisting with other aspects of the plays, is encouraged to come out for the auditions.

The three plays chosen for the spring production are by Anton Chekov, Neil Simon, and Arthur Lovegrove. A fourth play may be added if there are enough keen actors and assistants, Douglas indicated.

Anyone planning to attend the open audition, or who wants more information about the upcoming productions, can contact Mike Collins, 447-2956, Heather Scully, 457-2983, or Caryl Douglas, 286-3115.

The production will be staged May 10, 11 and 12.

# Minden teams now in playoffs

In Minden Sunday, February 19 the Atoms tied Little Britain 2-2.

Little Britain scored their two goals first and then Minden made a great comeback with Jamie Dollo scoring unassisted and then with 51 seconds left Rob Ackerblade from Darren Sawyer tied the score.

The Atoms' next game is Saturday, February 25 at 7:00 p.m. in Orono.

**Minden Juveniles** played in Powassan on Saturday, February 18, the fifth game of the best of seven series. Final score was 6-1 for Powassan.

Jeff Stamp scored unassisted for Minden.

Kevin Smith, in goal for Minden, was named the first star of the game.

Powassan wins the series in five games with four wins and one loss. As far as an extended series for the juveniles - nothing has been decided yet.

## From the Chamber

from page 5

ment Bookstore, M.G.S. Publications Services, 880 Bay St., 5th Floor, Toronto, Ont., M7A 1N8. Make cheques payable to the Treasurer of Ontario for $5.35.

- The Bicentennial film is now available through a number of sources. It is about 15 minutes in duration and acts as a good stimulus for groups and communities to think about their plans for 1984. If you would like to show the film to an organization, group, school, etc. you may borrow or purchase a copy. A list of sources is available at the Chamber 286-1760.

- The Ontario Historical Society have numerous publications available, two of these are "Promoting The Past" (a handbook of suggestions for effective historical programming in your community) and "Celebrating Together" (A Guide to Celebrating Ontario's Bicentennial in 1984). For further information and ordering, contact The Ontario Historical Society, 78 Dunloe Road, Room 207, Toronto, Ont., M5P 2T6 or telephone (416) 486-1232.

## Report from Parliament

from page 5

only tangible change will be the increase of the Guaranteed Income Supplement to single pensioners by $25 on July 1 and another $25 on December 1. On the subject of RRSP's, the Government decided to greatly increase maximum contributions, but not until 1985. Many other pension reform promises were made, but their credibility is very much jeopardized by their stated intention to bring them in by 1987, at the earliest.

Another problem I have been quite involved with, in the last three years, is high interest rate mortgages and the inability of mortgage holders to prepay their mortgages without a prohibitive penalty. On several occasions, I asked the Minister of Finance to, as he had promised in the House of Commons, act on behalf of the individual constituents who were caught in the mortgage rate squeeze. Now in this Budget, the Government has chosen to accept a form of the Conservative Party's mortgage deductibility plan they fought against in the last election. Although there are not a lot of details, Mr. Lalonde announced that effective March 1, 1984, any Canadian will have the right to buy a Mortgage Rate Protection Plan when they take out or renew a mortgage. Legislation is promised to require financial institutions to guarantee the right of prepayment of a mortgage with a reasonable penalty and they were asked to voluntarily implement the goals of this proposal immediately. When these and the proposed legislation to allow for longer than five year term mortgages are detailed, I will pass the information on to you in one of my weekly columns.

In summary, this was a housekeeping budget designed to clean up the Government's act. It promised implementation of several projects the Government has long delayed and attempted to remove some of the annoyances about which the public have, of late, been complaining to the Government. No real consideration was given to unemployment, the deficit or the economy. It, as one CBC reporter put it, cleared the way for an election goodies budget when Mr. Trudeau or his successor chooses to ask Canadians for a renewed mandate later this year.

## Naturalists

from page 4

In Ontario, the landscape is overwhelmingly forested. Both our economy and recreational lifestyle depend on our ability to maintain the forest dynamics evolved over millennia. The fact that we are chewing up the forest at the rate of 600,000 acres each year, mostly in large clearcuts, argues persuasively for a continuing field research program to trace the impacts of our land use on nature's hydrologic and nutrient cycles. So does the government's policies of allowing harvesting to the waters edge where reserves used to stand. And the growing menace of acid rain and the apparent destruction of European forests due to this pollution lends even greater urgency.

## Horticultural Group is busy

from page 10

day of the month (evenings).

At the February 16 meeting, other business dealt with included planning to participate in the Festival of the Arts, July 6 - 21, at the Senior Elementary School, ordering plants for spring planting, and the bus trip to the Flower Show, February 24. The bus leaves Haliburton at 8 a.m. and Madge Thompson is making arrangements. Minden, Norland and Fenelon Falls Societies will have their members going on the same bus. Call Madge to learn if there's still room, if you'd like to go.

A reminder was also given out about the next two presentations being brought to this area by the Haliburton County Library Board. Even though advertised in the Echo, the first two, 'What's wrong with my house plants?' and 'Hydroponics' were not well attended, which is regrettable when a speaker came from Royal Botanical Gardens, Hamilton. The next two presentations are slated for April 3 and May 1 in the Minden council chambers. Watch "Coming Events" for topics and time of meetings.

Another reminder was about the two lectures being brought to the area by Sir Sandford Fleming College, at a cost of $5 per person. Watch the ads for times of these presentations. On March 6 in the Minden council chambers, the subject is "Trees, Shrubs and Pruning", and on May 17, the topic is "Landscape Design for Homeowners", and to be held at the Drag River Building.

You'll want to mark March 22 and these other numerous dates on your calendar, now.

## Minden News

from page 12

in St. Joseph's Hospital in Peterborough following surgery. A speedy recovery, Ernie.

The car races on ice were cancelled last weekend because of the mild weather. If the weather co-operates and it turns cooler there will be races on Saturday, February 25 and Sunday, the 26th at the Minden fair grounds. The Toronto Automobile Club will be putting on this week's races. The admission is free and it is a good outing for the whole family.

Jim Butlers lost everything in a fire Monday morning. If anyone has anything they have no more use for it would come in handy for the Butlers. Men's clothing size 36 or 38 pants, 44 to 46 shirt size. Ladies' size 10, boy's size 4 and girl's size 12. Any help would be greatly appreciated. You can call me at 286-3607 or Mrs. Wruth at 286-1219. Anything you can spare can be left at the Minden Shell gas bar and we will see that the Butlers get it.

That is all for this week. I hope to see you all next week.

# NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE MATTER OF A PROPOSED BY-LAW OF THE CORPORATION OF THE TOWNSHIP OF GLAMORGAN TO CLOSE, STOP-UP AND CONVEY CERTAIN PORTIONS OF AN ORIGINAL ALLOWANCE FOR ROAD MORE PARTICULARLY DESCRIBED HEREINAFTER.

**NOTICE IS HEREBY GIVEN**, pursuant to Chapter 303, Section 298 of the Municipal Act, that the Township Council of the Corporation of the Township of Glamorgan proposes to consider and if deemed advisable, to pass at its regular meeting to be held at the Council Chambers, Gooderham, Ontario on Wednesday, the 4th day of April, 1984, a By-Law to close, stop-up and convey to the adjacent land owner the following described lands:

**ALL AND SINGULAR** that certain parcel or tract of land and premises, situate, lying and being in the Township of Glamorgan, in the County of Haliburton, being composed of Part of the Original Allowance for Road along the Shore of Glamor Lake in Front of Lot 34, Concession X, in the said Township of Glamorgan, being more particularly designated as Part 2 on a Plan of Survey received and deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-2961, and which Plan of Survey was made by Paul Wilson, O.L.S., dated October 27th, 1983 and is available for inspection at the Township of Glamorgan offices, Gooderham, Ontario.

**AND TAKE FURTHER NOTICE** that before passing the said By-Law at the meeting to be held at the time and place above mentioned, the Township Council of the Corporation of the Township of Glamorgan shall then and there hear in person or by his Counsel, Solicitor or Agent, any person who claims that his land will be affected by the said By-Law and who applies to be heard.

**DATED** at Gooderham, Ontario this 20th day of January, 1984.
